

Registration for Faith Formation

Faith Formation is available for all students in grades K-12. The registration deadline for the 2010-2011 year is August 27, 2010. A \$25 late fee will be charged for registrations received after that date and students will be placed only if there is enough space. We will not place students if there are not catechists to teach the class. Class size limit is 20 students.

Baptismal certificates are required for sacramental preparation in the 2nd and 11th grades for those students who were not baptized at St. John's. These may be obtained by contacting the parish where the child was baptized and requesting a copy. These may be sent to the family or directly to the Faith Formation Office.

Faith Formation Fee Schedule

St. John's Faith Formation fees cover the cost of consumable textbooks, teaching manuals, media items, supplies, building use and maintenance, and administrative costs. Student fees cover 40% of the actual cost of providing the program.

** No child will be denied a place in our programs due to financial difficulties. Please contact a member of the Faith Formation staff at 849-5121 to make necessary arrangements. **

Participation in the program implies agreement to the customary parish contribution of \$20 per week, in addition to complying with the fee structure set out below for Faith Formation instruction.
