

# SAINT JOHN'S FESTIVAL

MARK YOUR CALENDARS.

June 11, 12 and 13 2010

The festival committee is looking forward to another successful year. The festival is a great opportunity to catch up with old friends, neighbors, parish members and make new friends while fulfilling your obligation of service to our parish. Lots of hands make light the load and more is definitely merrier for a very fun filled festival.

**Job Assignment Obligations:** All parish members through age 62 are asked to work one shift. If you are unable to work a shift you are asked to make a \$30 contribution (\$60 couple). For planning purposes, cash donations need to be made by March 31<sup>st</sup> and can be dropped off at the Parish Office or in the collection basket at Mass. Confirmation students are also asked to work one shift. A sign-up sheet will be circulated through the Religious Education Office. Students in grades 7-10 are encouraged to volunteer for a shift as waitresses, dining room helpers, or dishwashers during shifts in which a parent is working. Recently confirmed seniors are also asked to sign up for a shift. Job assignment list will also be posted on our website.

**Job Assignment Binder:** This is located on the counter in the kitchen area of the Narthex. Please review this list and: confirm your shift; make shift change request; or add your name if you cannot locate it in the book. (Please use the Picnic Work Assignment Change Sheet located near the binder.) Changes will be picked up weekly and a committee member will contact you.

**What's Happening Now:** Phone callers for new members will be receiving their list in February and have 2 weeks to complete their calls. Raffle ticket prize solicitors and members that prepare prize solicitation mailings will be contacted very soon if not already. Raffle tickets and Job Assignment Cards should be ready for pick up the weekend of April 24 and 25<sup>th</sup>. (Please note for any assignments prior to festival weekend when tickets and posters will be ready for you.)

If you have any questions about this year parish festival please email them to [sjfestival@straphael.org](mailto:sjfestival@straphael.org)
