

Grade 4^{SG} News

This week we learned:

- In Reading we finished our book reviews. I will be sending a copy of everyone's book review so that when the students are looking for a book to read they can refer to the reviews.
- In Art we made cards for dad. The students worked very carefully and put a lot of thought into their cards.
- In Math we practiced finding the factors and multiples of numbers. We also learned the difference between prime and composite numbers.
- With Mrs. Gundrum we compared and ordered decimals and mixed numbers. Next week we will review for the test on Friday.
- For English, the students are writing letters to their parents to persuade them to go on a certain vacation. The point is not actually going on the vacation, but coming up with good facts and opinions to support their choice. Actually going on the trip would be an extra bonus. Some are asking for Hawaii so if you say yes, can we come along. ☺
- For Social Studies, we went through the study guide for the test next week. Look for the email about Lumberjack Day!
- For Religion, we handed out mass parts for next week. The chapter we are discussing is about living in "Truth." Msgr. will be coming in next week Wednesday to talk about the Holy Spirit.

Date: Friday, May 21st

Duties

A.M. Patrol: Delaney

P.M. Patrol: Elana & Lexi
