

## What's Next?

## This Week We Learned

- What the rules and expectations are in our classroom
- To read & write numbers through 999,999
- How to tell if a number is prime or composite
- Spelling - Unit 1 - Short & Long "a"
- Religion - To read and write a poem (Haiku) about a kaleidoscope, & the story of creation.
- English - We learned about complete sentences and sentence fragments, and declarative and interrogative sentences. We started brainstorming for our first adventure story.
- Science - Students did a "working together" activity and learned about the characteristics of living things.
- Social Studies - Students started on some basic map skills of Wisconsin in relations to the World, North America, & the Midwest.
- Reading - We started reading a whole group book, The Indian in the Cupboard. Students start their weekly reading log today! It is due
