

# 6<sup>th</sup> GRADE NEWS

(Mrs. Krysiniski's Class) Nov. 28<sup>th</sup>-Dec. 2<sup>nd</sup>:

**Math:** Both classes continue working with fractions. We changed decimals to fractions, reduced to lowest terms, and changed decimals to percents.

**Social Studies:** This week we started discussing the rise of Judaism. We recognized some of the famous Biblical figures during this time period. We ended the week researching countries that now exist in the Fertile Crescent. Ask your student about these countries.  
**Test Friday, Dec. 9<sup>th</sup>.**

**English:** We finished our three paragraph essays. The students will present them next week. We also finished our unit on nouns. **Test Monday, Dec. 5<sup>th</sup>**

**Reading:** We finished our nonfiction books this week. The students used a book talk to present their books. Lots of fun!!

## **Science**

We continue to discuss heredity and DNA.

**Extras:** Look for a letter from Mrs. Bymers about Spanish for next year.

**Advent Angels:** The students picked a name for Advent Angels. We are asking them to bring a treat for their angel starting next week. The final gift will be a drink and snack for our Christmas party.

**PATROL:** PM: Lauren and Elana
