

T/TH AM

Week of 5/25/10

Preschool News

*St. John Preschool
Mrs. Ziegler, Mrs. Williams
& Miss Diane Hampton*

What we are learning: We talked about nature and cut pictures of insects from a teaching magazine and glued the pictures onto paper. We made bookmarks for our Dads for Father's Day. Buckle Bear came to our classroom on our last day of school to talk about the importance of wearing seat belts. Have a fun summer and stay safe!

*WE ARE IN THE SAME BOAT IN A STORMY
SEA AND WE OWE EACH OTHER A TERRIBLE
LOYALTY.*

Thank you for sharing your child's first school year with us. We hope you have found the time spent with us has been beneficial for your family.

Physical Education: The children played tag games. They tried to take a ball from the pile of balls before Mrs. Grundahl could tag them.

IMC - Mrs. Mais focused on bugs since we were at the nature center last week. She read a non-fiction book titled CREEPY CRAWLY BABY BUGS. She also read BEETLE BOG and A FROG IN THE BOG. Mrs. Mais shared her son's "dead bug" collection. The children did bug bowling and played bug hokey pokey. Can school get any more fun???

Music - We practiced for the spring program on the stage on 5/25. Thank you all for your excellent participation. Hope you enjoyed the program!

Nature is alive and well in the preschool room. We have tadpoles that are thriving. We also have an orphaned kitten in the room! Owen's Mom also brought in his dog for show-n-tell.

Mrs. Williams, Miss Diane and myself would like to thank you for your end of the year cards and gifts. We will enjoy the soap and lotion sets. It was kind of you to think of us!
