TO: Current 4th and 5th Grade St. John Parents
FROM: Gabe Riege, St. John School Athletic Director
RE: Volunteer Athletic Coaches

The Saint John Athletic Association is looking for volunteer coaches to provide education, mentorship and excitement for the extracurricular sport activities during the upcoming school year. We would like at least two volunteer coaches per team, per grade, per sport. All athletic teams generally practice twice per week and games are held on Saturdays and Sundays during the sport season. Practices may be held between the hours of 2:30 p.m. and 8:00 p.m. every weekday except Wednesdays. Saturday games may begin as early as 8:00 a.m. and Sunday games typically begin at 12 noon.

Please sign-up on the following page by indicating the sport, the grade, and the team gender you wish to coach during the school year. In addition, all coaches are required by the Parish and the Diocese to complete Virtus training before you may coach. Those parents with Virtus training may indicate the dated listed on their *certificate of completion* on the line next to the word "Virtus". Turn in you volunteer form to the School office by the first Friday of June, especially those parents interested in coaching girls' volleyball in the fall fall. Potential coaches for winter and spring sports may turn in forms no later than Gear Up Day in August.

If you have any questions, please do not hesitate to contact me by phone at School or e-mail me at riege15@hotmail.com .
